

Evaluation matrix for WSA school development: Toward a school culture of sustainability

| Goal | What have we achieved? | What worked well, and why? | What didn't work, and why? | How will we build on this in further school development? Who else can we involve? What has been missing so far? What do we learn from this? |
|-------------|---------------------------------|-------------------------------------|-------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | | | | |

EVALUATION MATRIX 2 / 5

| Goal | What have we achieved? | What worked well, and why? | What didn't work, and why? | How will we build on this in further school development? Who else can we involve? What has been missing so far? What do we learn from this? |
|-------------|---------------------------------|-------------------------------------|-------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | | | | |

EVALUATION MATRIX 3 / 5

| Goal | What have we achieved? | What worked well, and why? | What didn't work, and why? | How will we build on this in further school development? Who else can we involve? What has been missing so far? What do we learn from this? |
|-------------|---------------------------------|-------------------------------------|-------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | | | | |

EVALUATION MATRIX 4 / 5

| Goal | What have we achieved? | What worked well, and why? | What didn't work, and why? | How will we build on this in further school development? Who else can we involve? What has been missing so far? What do we learn from this? |
|-------------|---------------------------------|-------------------------------------|-------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | | | | |

EVALUATION MATRIX 5/5

| Goal | What have we achieved? | What worked well, and why? | What didn't work, and why? | How will we build on this in further school development? Who else can we involve? What has been missing so far? What do we learn from this? |
|-------------|---------------------------------|-------------------------------------|-------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
